Who needs a TV for entertainment when you can use the entire human world as your playground? The voluptuous Celestial Maiden Kaguya has an extremely perverse sense of humor, a propensity for baring her breasts, and an absolute love of the human race - an absolute love of meddling with them, that is!

Ask for her help and there's no telling what she might do. From foiling a perfect murder planned for a lesbian lover to turning young men into the women of their dreams, she absolutely delights in giving people their hearts' desires and then letting them deal with the consequences!

But don't let her wicked sense of humor fool you, this divine beauty and her man-servant Pipi are on a mission to end human suffering. And Kaguya will do absolutely anything it takes to accomplish her mission - even if it means sacrificing her own heavenly body for the cause!
